We understand some visitors may want to walk from Abbey Wood to the hospice, please find below tips on how to do this safely.

The journey from Abbey Wood station on foot should take approx. 30 mins. The walk is a moderately steep uphill journey through the woods so visitors with mobility issues are advised to use bus services or a car/taxi as an alternative.

There are **no shortcuts** to the hospice. We do not recommend walking up Knee Hill as there is no pedestrian footpath along this busy road. Highlighted on the map in green is the safest route but please consider the journey before deciding if you want to walk.
